Financial Hardship/Extended Deadline

We understand when 'life happens'. If your family cannot meet our fee deadline for any reason (i.e. get paid the following week, need to stretch out payments, interested in scholarship, etc.) PLEASE LET US KNOW!

We do not want any student being held back for financial situations, especially those out of your control. If you have a genuine need please let a band director know in writing and we will be more than happy to work something out with you and your family. Please return a note with this form explaining or outlining what we can do to help.
