*AB=Advanced Band Performances. Students are not required to attend, but we love seeing beginners at our 7th and 8th grade concerts!*

Beginning Band rehearsals and performance are required. If you have a conflict with anything on the calendar please let your child's director know in writing at least 24 hours in advance.

On all performances we ask the students to dress nicely. Please do not allow your child to wear blue jeans and tennis shoes for our performances. Our standard concert dress for young ladies is a skirt and blouse, dress, or blouse and dress pants. Young men should wear dress pants, button down shirt, tie, and dress shoes.

Rehearsals are counted as part of the performance grade. If your child has a conflict please contact a band director in writing at least 24 hours in advance. This year we are trying to have all rehearsals during student's advisory time. If we are asked to change this for any reason rehearsals will take place immediately after school from 4:05-5:15.

Reward trips are optional and only eligible student (passing all classes) may attend. Students who do not demonstrate the proper classroom ettitique or have recurring grade problems may not be invited.
