

The STALEY BAND

The final instrument screening day on Saturday 3/23 from 9-noon.

If you signed up for band this is the 2nd step needed before our counselors can finalize your schedule as the nine instrument classes are spread out across five periods of the day. Saturday's event is THE BEST time to try the instruments as we will have 8 other FISD band directors on site to help us find the perfect fit for you.

If you did not sign up you are still welcome to walk in and try the instruments as it is never too late to join band. Our instrument choices are: Flute, Oboe, Bassoon, Clarinet, Saxophone, Trumpet, Horn, Trombone, Euphonium, Tuba, and Percussion (drums).

www.staleyband.org/join

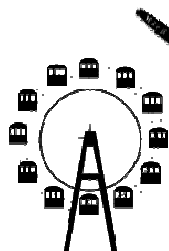

There are only TWO steps to joining band– visit the website or scan the QR code for more info

Mr. Wood is setting up a schedule for Saturday 3/23 for EVERYONE who still needs to be placed on an instrument. If that time that is emailed to you does not work feel free to come at another time on Saturday or see below for our other options for being placed on an instrument.

- **Set up a private appointment** at the website (or QR code) above. We are in the middle of contest season with our 7th and 8th graders, so we may not be able to start setting up appointments until after April 3rd. **This is the best option if a parent would like to be present for the process**
- **Screen your child at their elementary school:** Since our counselors need to know where to place your child– we will come to your elementary school to screen during the school day. We will send information home with your child about what instrument was chosen and our next event.
- **Place your child in a class and try the instruments later.** For students that signed up for band but have not been placed by May 14th– we will place your child in a class as a 'place holder' so our counselors can get their schedule finalized. We will confirm their instrument and give them an opportunity to switch the first week of school. This is not ideal as we would love to get things finalized before summer– but we know it is difficult for some families to make it to weekend events due to busy schedules.

Questions? Visit the website above and click on the 'FAQ' link or email Mr. Wood at woodc@friscoisd.org.

INSTRUMENT

CARNIVAL

We hope to see you Saturday 3/23 for our final instrument carnival!
